department of temporal adjustment When not at home with her family Vanessa spends a good bit of time in the basement lab of her archaeology department. While there late one night she hears a strange noise in the hallway. She takes a peek and sees a strange group of people exiting the janitorâ€™s closet. She decides to hide in the lab for a while to avoid them.

department of temporal adjustment Community Reviews. The Department of Temporal Adjustment was a very original piece of work. I have not read anything like this novel. It follows the life of Vanessa, mom by day, student by night. Always curious, Vanessa gets herself into trouble when she discovers a time portal and keeps falling into it.
